CHAIRMAN'S LETTER

On behalf of the Saginaw Future Inc. (SFI) Board of Directors and staff, thank you to all of our Investors.

We are in the business of energizing new development and job growth in Saginaw County and 2019 was an exceptional year for new investment. SFI assisted with 38 economic development projects, from family businesses to global corporations.

We have outstanding companies here that are investing millions of dollars in Saginaw County – more than \$261 million and thousands of square feet of new construction. With our assistance, area businesses were able to secure nearly \$96 million in local, state and federal government contracts.

Our business leaders are not only engaged in their respective industries, but they are involved in the overall community and are a huge component of our success, providing leadership on the SFI Board of Directors. SFI works collaboratively with the Saginaw County Chamber of Commerce, our many state and local government partners, and Michigan Works! among others, to strengthen our quality of life and place, grow our local skilled workforce and attract talent. With your support that economic energy will continue to grow.

Sincerely,

Dan Dralle, Chairman
Saginaw Future Inc. Board of Directors

MANUFACTURING LEADERS

Hemlock Semiconductor

www.hscpoly.com

is a global leader in the production of high-purity polysilicon for the electronic and solar power industries, enabling customers to produce high-tech electronics and solar panels. As the raw material used to create semiconductors, polysilicon is crucial for cell phones and computers as well as the technology of the future, where the Internet of Things and artificial intelligence meet on new creations such as autonomous vehicles. During 2019, HSC invested \$52 million in new technology and equipment and added 10 skilled professionals to its workforce.

Orchid Orthopedic Solutions-Bridgeport, MI

www.orchid-ortho.com/bridgeport

continues to invest and grow entering into a new lease to create immediate production floor space. This manufacturing space allows for the expansion of critical equipment and increase production capacity. Improvements to modify the facility to accommodate warehouse operations exceeded \$200,000 with one to three additional employees to facilitate the operations. In 2019 the company added over \$2.5 million in capital improvements and created over 20 jobs in Bridgeport. This investment is its sixth expansion over the past decade.

Nexteer Automotive

www.nexteer.com

a leader in intuitive motion control, is a multibillion-dollar global steering and driveline business delivering electric and hydraulic steering systems, steering columns and driveline systems, as well as ADAS and automated driving technologies for OEMs around the world. The Global Technical Center and primary manufacturing site in North America is located in Buena Vista Charter Township, Saginaw County. During 2019, the company invested \$56 million in new technology and equipment.

MANUFACTURING MATTERS

RMC Engine, located in the Bridegview Center in the City of Zilwaukee, manufactures a line of belt sanders, piston pin presses and other products to round out its engine building product line. Due to the need for more manufacturing space, RMC added onto its facility. SFI assisted the company and the city with a tax incentive. Construction costs were estimated at \$400,000 and four jobs were created. <https://rmcengine.com>

B&P Littleford invested \$800,000 in building improvements, including a new parking lot, boiler and added warehousing at the former SMS building in the City of Saginaw. The company hired 18 new employees. SFI, the City of Saginaw, the Saginaw County Land Bank, the USEPA, and EGLE all partnered to execute a roughly \$1 million Super Fund cleanup of the former Baker Perkins industrial complex, which is adjacent to the company. www.bplittleford.com

DuPont invested \$9 million in 2019 at its Healthcare Industries Materials Site (HIMS) in Thomas Township, to modernize facilities, add a new cleanroom, and add tubing extrusion capacity. This activity has created four new jobs and is part of a larger facility expansion currently under construction that will provide further employment opportunities. DuPont HIMS offers a broad range of healthcare products including transdermal adhesives, silicone tubing, and lubricating coatings. www.dupont.com/industries/health-care-and-medical.html

Rifkin Scrap Iron and Metal, Inc. invested \$2,150,000 at a new location on N.Washington Ave., constructing a new office, two new warehouses and a breakroom. Rifkin also added a trench drain in the office and additional storm water retention at the site. The company spent much of 2019 hauling remaining scrap to the new location and buildings at the old location are expected to be demolished in 2020. www.rifkin-co.com

Saginaw Control & Engineering (SCE) continues to expand its presence in Saginaw County. The company purchased and installed three new automated robotic cells at its Saginaw East Facility in Saginaw Charter Township, investing \$3 million in 2019. Since 1963, SCE has been manufacturing both standard stock and custom designed electrical enclosures. The company also recently constructed a second manufacturing facility in the Great Lakes Tech Park. www.saginawcontrol.com

MANUFACTURING IS IN OUR DNA

UMBAGROUP

www.umbgroup.com

acquired Thompson Aerospace & Defense one year ago and continues its path of growth and innovation as it inaugurated a new state-of-the-art MRO operation at its Saginaw location. The investment allows UMBAGROUP to offer expanded capabilities and services to its aerospace and defense customers in the U.S. In addition to the new MRO operation, UMBAGROUP invested in machinery and equipment, tooling, LED lighting and a new roof for a total of \$3,140,000. It also added 13 new employees in 2019.

Fullerton Tool Company

www.fullertontool.com

invested over \$2 million in new CNC and inspection equipment during 2019 and continues to grow in the Great Lakes Tech Park. The company made improvements in production, quality and shipments, reducing lead time of custom tooling, reaching 97% in catalog fill rate and on-time delivery on custom orders. Fullerton also invested in a new R&D lab, expanding its capabilities in developing new tooling solutions, improving processes for end users and testing parts for customers.

Blue Thumb

www.bluthumbponds.com

is a leading water feature manufacturer and molder that purchased 2650 Schust Rd. in Saginaw Charter Township. SFI assisted the company and the community with transferring a \$1.72 million rehabilitation certificate that was previously approved for the site. Blue Thumb made improvements that include construction of walls and office space, replacing windows, and building and warehouse improvements. The total project investment was approximately \$2.7 million and it created 10 jobs.

SWEENEY METALWORKING is located in Bridgeport Charter Township and has provided over 30 years of detail machining and stamping services. The company added nearly 5,000 sq. ft. to its existing facility and currently employs 12 people. Sweeney expects to create two new jobs as a result of the expansion. SFI assisted the company and the community with a real property tax incentive.
<https://sweeneymetalworking.com>

WINEMAN TECHNOLOGIES INC. invested nearly \$150,000 in building improvements, new servers and its computer network. The purchases will improve the capabilities of Wineman to handle larger and more complicated projects and resulted in two new jobs. SFI partnered with the MEDC to secure a STEP grant and the PTAC also assisted the company with its recertification as a Service Disabled Veteran Owned Small Business.
www.winemantech.com

AHB TOOLING & MACHINERY announced two senior team members purchased the metal working distributor and all 46 employees were retained and four jobs were created. AHB invested \$55,000 in software and furnishings for its new Kochville Township location. Saginaw Future partnered with Great Lakes Bay Michigan Works! to secure job training funds and a \$2,500 grant from the Michigan Defense Center.
www.ahbinc.com

CIGNYS is the Saginaw Future Procurement Technical Assistance Center Government Contractor of the Year. The company has locations in the City of Saginaw, Bridgeport Charter and Thomas Townships. Established in 1919, Cignys is a high-end design, engineering, machining, and fabricating company specializing in custom solutions for military, aerospace, automotive and more. NASA, the U.S. Army and Navy have trusted Cignys to deliver quality products. www.cignys.com

HAUSBECK PICKLES & PEPPERS completed a 100,000 sq. ft. expansion in 2019. The company invested \$6 million and hired 10 new full-time workers and 100 seasonal employees. Hausbeck is a family owned business that was founded in 1923 and located at 1626 Hess Ave. in the City of Saginaw. It is a major supplier to Burger King, Taco Bell and Subway, and also processes different types of peppers.

HEALTH CARE & PROFESSIONAL SERVICES

In 2019, health care and professional service projects created 328 jobs and generated nearly \$78 million in new investment in Saginaw County!

Ascension St. Mary's Hospital

<https://healthcare.ascension.org>

invested \$17.6 million in a 12,600 sq. ft. Emergency Center expansion and renovation in the City of Saginaw. Ascension also invested \$50 million in St. Mary's Hospital in Saginaw, Ascension Standish and St. Joseph Hospital in Tawas to ensure the hospitals meet evolving health care needs. SFI and the City of Saginaw worked with St. Mary's on infrastructure updates.

CMU Health

www.cmuhealth.org

has nationally-recognized physicians, trains residents and provides patient care across its health care system. Over the past three years, it has grown from 25 physicians to 65 and the number of residents has increased from 90 to 121. CMU Health's operating budget has also increased 80% and the organization added \$600,000 in simulation equipment. SFI has assisted with physician recruitment.

Gateway Financial Solutions

www.gatewayfinancial.org

is part of Garber Management Group and provides financing options for customers from over 350 franchise and independent dealers in 16 states. The company has been in operation since 1996 and expanded its offices at 999 S. Washington Ave. in the City of Saginaw, which now total 30,000 sq. ft. The company invested \$450,000, added 35 jobs, and now has a total of 201 employees.

Morley Companies, Inc. added a fifth office in Saginaw Charter Township, located in the Horizons Center.

**Roosevelt House
of Michigan, LLC**
www.theroosevelthouse.com

(TRH) is a state licensed long term alternative for senior adults who require assistance with daily living that opened in Hemlock in September, 2019. TRH owners invested nearly \$1.2 million and estimate that they will create 22 new jobs. SFI assisted the company by coordinating a Great Lakes Bay Michigan Works! meeting to apply for a Going Pro job training grant.

**Covenant
HealthCare**
www.covenanthealthcare.com

completed the expansion of its Radiation Center, totaling 7,045 sq. ft. of new construction and renovations. The Radiation Center added a second radiation vault to house a \$7 million Versa HD by Elekta linear accelerator. Covenant Glen of Frankenmuth also completed a 25,000 sq. ft. expansion to the assisted living and memory care community. Covenant Glen features 77 private apartments.

**Morley
Companies, Inc.**
www.morleynet.com

continues its growth, adding more than 200 jobs in Saginaw County in the first half of 2019. The 156-year-old business added a fifth office in Saginaw Charter Township, located at the west end of the Horizons Center. The additional office means approximately \$1 million in capital investments. Morley is one of the largest employers in Saginaw County, with more than 2,800 associates.

COMMERCIAL DEVELOPMENT

McNally-Nimergood Co.

www.mcnally-nimergood.com

is a leading crane rental, rigging, heavy haul, and lifting service provider throughout Michigan and headquartered in Bridgeport. The company constructed a 12,000 sq. ft. facility that serves as its new maintenance garage and operations offices with a total investment of \$1 million. The work was completed by all local contractors. In the past four years alone, the company has invested more than \$13 million in new cranes and equipment to support its growing operations.

Michigan Premier Laundry (MPL)

www.mplmi.com

was founded in 1969 to consolidate and standardize services between Ascension St. Mary's Hospital, HealthSource Saginaw, Covenant HealthCare, Ascension St. Joseph Hospital, and McLaren Bay Region. MPL has expanded to provide sanitary, state-of-the-art health care laundry services to the aforementioned hospitals, eleven affiliate hospitals and 89 clinics in Michigan. The company constructed a 21,000 sq. ft. addition in the City of Saginaw. A \$4.6 million investment resulted in 30 new jobs.

Vineyards Management Group

www.michigan.gov/mshda

recently purchased Saginaw Villas Mobile Home Park in Buena Vista Charter Township and continues to invest in the property. The group added 20 homes in 2019, in addition to 60 in 2018. Plans call for a total of 240 homes by the end of 2020, aggressively adding over 100 more homes. The group expects the homes to be fully occupied within two years. Vineyards, located in Salt Lake City, Utah, has been contracting with local area vendors and invested \$8 million creating two jobs.

Day Two is a microbiome-based, personalized nutrition solution with a focus on the remission of type 2 diabetes and recently secured \$31 million in financing. SFI has been assisting the company in establishing a local presence to provide services as a pilot project in Saginaw and the region. DayTwo is expected to have between six and 10 employees. www.daytwo.com

CAPITALIZING ON COMMERCIAL OPPORTUNITIES

RETAIL DEVELOPMENT

Shumaker's at The Stable

www.shumakers.com

Tom and Tony Shumaker of Shumaker's Ski Shop in Flint, purchased The Stable located in Old Town Saginaw. They have invested \$300,000 into the building and equipment, and plan to continue to add additional inventory throughout this year. The Shumaker's were able to retain five jobs and create four more at their third location. The Stable's owner had retired after 47 years.

Fleck's Fresh Mart

<https://wirtrivettegroup.com/>

will be constructed in the City of Saginaw on a soon to be decontaminated parcel with help from the Michigan Department of Environment, Great Lakes, and Energy (EGLE). The Saginaw DDA was awarded a \$249,000 Brownfield Redevelopment Grant to revitalize and safely reuse a vacant parcel located at 2040 N. Michigan Ave. The Wirt-Rivette Group and RPF Oil are investing \$2,225,000.

Valerie's Downtown

www.facebook.com/valeriesdowntown

is located at the former Wally's in Downtown Saginaw. It was recently purchased by a new owner, who also acquired the building. The restaurant and second floor apartments were remodeled with an investment of \$215,000. Valerie's retained three and added three new employees. The menu features some of Wally's popular sandwiches and desserts, plus "a splash of Mexican fare."

FRANKENMUTH BUSINESS PARK

received a Michigan Site Readiness grant for \$83,090, which will be used to add a new road. Working with local partners, the Michigan Economic Development Corporation launched the program, giving Michigan sites a competitive advantage in business attraction and expansion projects. SFI assisted the EDC with the grant application. www.frankenmuthcity.com

INFRASTRUCTURE & EDUCATION

Stoneheart Solar, LLC
www.kochvilletwp.com

is planning an investment of nearly \$2.5 million in a new solar farm on 20 acres in Kochville Township that will provide approximately 20 construction jobs. This will be Saginaw County's first solar farm providing enough electricity for 300-500 homes and businesses. Other project benefits include tax revenue of approximately \$500,000 over the life of the project and upgrades to the local grid.

Buena Vista Charter Township
www.bvct.org

and the DDA took proactive steps to declare the former Welcome Inn as a danger in order to demolish buildings on site. The Saginaw County Brownfield Redevelopment Authority, which is administered by SFI, approved a brownfield plan and a \$200,000 loan request. The Michigan Department of Environment, Great Lakes, and Energy also approved an assessment grant. Total costs are nearly \$400,000.

MI International Prep School
www.miprepschool.org

is a statewide Cyber Charter School that opened a tutorial and counseling center at 2715 State St. in the City of Saginaw. Michigan International Prep School invested \$60,000 in renovations and hired three full-time staff. Saginaw Future provided planning and zoning assistance, helped to secure an easement for the project and a shared parking agreement.
