# What is an ENDOWMENT?

When you create a charitable fund through the Saginaw Community Foundation, you have the opportunity to benefit the community forever with a permanent endowment. Your gift is invested over time. Earnings from your fund are used to make grants addressing community needs. Your gift, and all future earnings from your gift, are a permanent source of community capital, helping to do good work today and in the future.

## Legacy and Stability

Donors who endow their gifts can make a difference in their community during their lifetime and, at the same time, provide a gift that lasts forever.

Leaders of nonprofit organizations look to the Saginaw Community Foundation to hold their organizations endowment because they know that having a constant source of funding helps them respond to emergency needs as well as plan for the future.
