

GREAT LAKES TECH PARK

705 N. GRAHAM RD. (M-52), SAGINAW, MI 48609 US

148-acre pad-ready business park

Join Fullerton Tool and Saginaw Control and Engineering in the Tech Park

- The region is home to Dow and Hemlock Semiconductor, two of the world's leading chemical and advanced materials companies.
- Nexteer Automotive's global technology center is also in Saginaw. The company has 50+ global customers including BMW, Fiat Chrysler, Ford, GM, Toyota and PSA Peugeot Citron as well as automakers in India, China and South America. Located directly north of Detroit on I-75, Saginaw is a prime location for auto manufacturing.
- Saginaw County is home to 16 food manufacturers and continues to be ranked in the top five counties in Michigan for agricultural production.
- Michigan ranks number one in the United States for availability of skilled labor.
- Nearly 20% of the local workforce is employed in manufacturing, and many are second or third generation manufacturing employees with experience in electronics, chemicals, automotive and precision components.
- Delta College and Great Lakes Bay Michigan Works! provide nationally recognized workforce sourcing and technical training customized for your organizational needs at no cost to you.
