

# INDUSTRY PROFILE

## advanced manufacturing

The Great Lakes Bay Region 5 (GLBR) has been a hub for global manufacturing leaders for more than 150 years. We have developed a great infrastructure for manufacturing and offer a powerful service and supply network. With generations of manufacturing expertise, every part of the community is in tune with the specialized needs of manufacturers. \*\*

### LEADING INDUSTRIES\*\*

- **Plastics**
- **Medical Equipment**
- **Chemicals**
- **Machinery**
- **Aerospace**

### SUPPLY CHAIN\*

- **Metal Producers 211**
- **Foundries 9**
- **Plastics Products 29**
- **Wood 9**
- **Tool and Die 30**

### MANUFACTURERS\*\*

- **Dow**
- **DuPont**
- **Nexteer Automotive**
- **Hemlock Semiconductor**
- **Saint Gobain**
- **Magline**
- **397 Total Establishments**

### PRO BUSINESS^

- **Right To Work**
- **No Inventory Tax**
- **Corporate Tax 6%,**
- **Personal Income Tax 4.25%**
- **\$2.1 Billion in Earnings**

### REGIONAL INFORMATION

## SEE HOW WE COMPARE

# 22,034

nearly double the national average\*

# 11,316

for comparably-sized regions in America\*

- Tool and die makers: 226, \$52,970 avg. salary\*
- Industrial engineers: 564, \$87,111 avg. salary\*
- Machinists: 966, \$42,329 avg. salary\*
- Production supervisors: 1,148, \$63,996 avg. salary\*
- Production assemblers: 1,970, \$32,197 avg. salary\*

**All job sector employee totals are higher than the national average**
