SAGINAW FUTURE INC.

MISSION

To advance economic growth in Saginaw County

VISION

To be the leading organization in Saginaw County, providing proactive and focused economic development assistance, striving for diversified growth, job creation and retention, increased business investment and tax base, and a positive environment for businesses to thrive

WHAT IS ECONOMIC DEVELOPMENT?

WHY DOES IT MATTER?

Economic Development is the strategy and process of improving the economic well-being and quality of life in a community. At its heart, economic development is about building prosperous regional economies that drive long-term growth opportunities for its citizens.

SFI STRATEGIC INITIATIVES

SITE READINES & INFRASTRUCTURE

Lead the advancement of site readiness and infrastructure improvement to support continued business expansion and new investment efforts.

HOUSING INNVOATION

Serve as a convener, creating public-private partnerships to increase housing stock while connecting existing incentives and subsidies to developers and prospective properties.

TALENT RETENTION & ATTRACTION

Serve as a collaborator, prioritizing and supporting state and local initiatives to retain and attract a skilled workforce. Coordinate with K-12 education sectors, colleges and universities to advance the talent pipeline. Continue to market and make our region accessible to retain and attract talent.

TALENT – IMPROVING CHILDCARE

Support public-private investment in childcare centers while connecting incentives and grants for onsite childcare facilities.

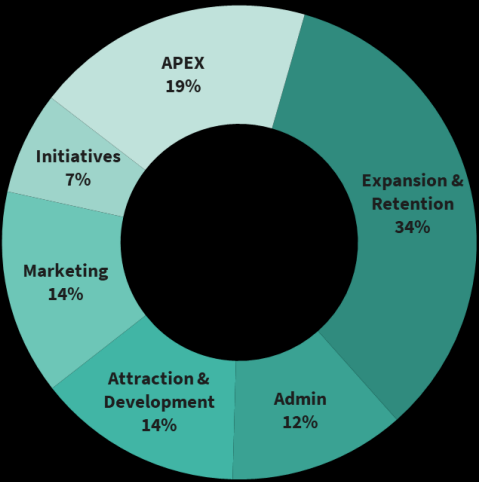

TALENT – UNDERSERVED POPULATION

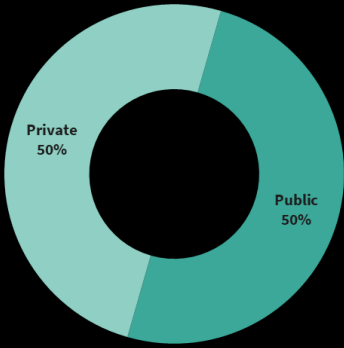

Help improve access to workforce development programs, employers and expanded job-placement services. Work with local governments and officials to build stronger public-private partnerships.

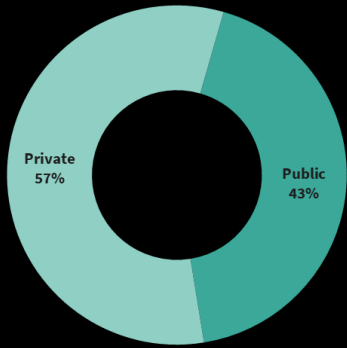

BUDGET
